W E invite the attention of the Public to the Certificates appended below, and bespeak for them that candid consideration which their honest frankness deserves.

Men in such stations as many who volun-tarily bear witness to the efficacy and value of CHERRY PECTORAL, do not wantonly trifle with, or distort facts, nor overstate their comvictions. Judge then, whether this is not the medicine to trust when you must have relief for the throat or lungs; judge too, whether every family ought not to have it by them as a safeguard against the everywhere prevailing enemy, which steals with fatal frequency upon almost every flock and carries off the lamb

from many a home? Inckson C. H., Jackson City, 0., 20th Nov., 1812,

Dr. J. C. AYER, Sir-The Cherry Pectoral is much inquired after. Several of our best Physicians have used it, three of them in their own case and always with the happiest effects. The numerous patent medicines always before them, lead to incredulity in regard to every new remedy; and it is only after undoubted evidence of value in any article, that anything

like a general confidence can be excited, observation, has compelled medical men to proclaim abroad its usefulness. It is beyond all doubt the best general remedy we have for the Pulmonary Affections of this climate, at the same time sedative and expectorant-a rare combination of properties, In hope that it will prove its own reward,

subscribe myself. Respectfully your obt, servt.,
JAS. H. C. MILLER, M. D. Allegan, Mich., 10th Jan., 1853, Dear Sir-No one, no not one-man, wom-an, or child-can be found to deny that the Cherry Pectoral is all that it claims to be.-There is much used in this vicinity although not known until recently. The community

should know its virtues. Yours truly, JOHN R. KELLOGO, M. D. Let gentlemen of the Legal Profession mark this case. Williamsburg, L. I., Sept. 3, 1852.

Dr. J. C. AVER, Dear Sir-Over application for the past three years to my duties as an advocate brought on some eight months ago a severe irritation of the bronchial tubes, which was a constant annoyance to me, and fast becoming a source of great apprehension. Every remedy tried, failed to even relieve me, till I used your Cher-ry Pectoral. This has not only relieved me, No person need fear that they will not but as I trust wholly cared me.
